

Camp Checklist

Summer 2020

Here are a few helpful reminders you need to know before sending your child to Summer Camp!

General Information

- Camp hours are 9:30am-1:30pm
- We will try to honor requests for placement (within the proper age group). These requests must be made prior to the first day of camp.
- All children must be potty trained in order to participate in Kids Camp.

What to Bring to Camp:

- Backpack and lunch with your child every day with his/her name clearly marked.
- Extra set of clothes labeled with your child's name in the backpack (Kids Camp only). Some of our activities can be messy. Remember to label everything!
- To help protect your child, apply sunscreen, prior to coming, for our outside activities.
- Please send your child in tennis shoes - they are a must for outside activities and playing on the playground.

On or before your first day of camp, please bring these completed forms:

____ History of Immunizations (printout from physician)

____ Safe Transportation and Storage of Lunches

____ Parent's Notice

____ Authorized Consent

If you have already completed these forms for the WDM 2019-20 school-year, Summer 2019 Camp, or are completing these along with a WDM 2020-21 school-year contract prior to camp, then you will not need to duplicate (as long as the immunization records are up to date).

Check-In (Mud Creek Campus)

On the first day of each camp, please check the bulletin board located beside the director's office in the children's wing of the church for your child's classroom and teacher assignment.

Check-In (Promise Rd Campus)

Check-in will begin at 9:20am. Please enter through the front school doors.

Kids Camp - look for your camper's room assignment on the wall in the main school hallway.

Camp Quest - please meet in the lobby near the coffee shop.
