

Kids Camp:**May 26-28 (Tues-Thurs) – Disney Reading Camp – Promise Road Campus** (open to Pre-K graduates)

Reading camp will focus on a few beginning sight words, word families, as well as reading simple, fun books. Teacher groups, centers, games, and crafts will be part of the day as the kids extend their learning from last year and begin to prepare for Kindergarten!

June 1-4 – Creative Art – Mud Creek Campus

Come join us explore the process of art through creativity, mixing, science and more. It may get messy but that is where the fun begins! You can be the creator of your own masterpieces.

June 8-11 – Camping – Promise Road Campus

The tent will be up, the campfire roaring, and animals ready for our adventure. We'll take nature walks, explore and collect natural materials, and turn them into artwork, and play campsite games.

June 15-18 – Dinosaur– Promise Road Campus

Ever wonder what it was like long before you were on Earth? Come and explore the land when dinosaurs roamed. We'll learn about different dinosaurs, what they ate, how they lived, and what happened to them.

June 15-18 – Fun & Fitness – Mud Creek Campus

Get warmed up and ready for a week of fitness fun. Learn about different types of fitness including field sports, yoga and track. Explore what it means to be healthy and active and why it is important to get our heart pumping and our bodies moving.

June 22-25 – Animal Action – Mud Creek Campus

Join us as we explore different animals and their habitats, including wild animals and pets, build fun crafts and make silly shaped snacks.

July 6-9 – Kids in the Kitchen – Mud Creek Campus

Let your little one be a sous chef! We will mix and measure, bake and decorate together! We will even go into the outdoor classroom and use the mud kitchen and make "food" using nature!

July 13-16 – Pirates & Princesses – Promise Road Campus

Calling all Pirates, Princes, and Princesses to join us on an adventure! Off we go to when pirates ruled the seas and royalty ruled the land! Arrgg, Your Majesty, this camp is filled with a bounty of games, activities, music, and more!

July 13-16 – S.T.E.A.M. (Science, Technology, Engineering, Art, Math) – Mud Creek Campus

Join us for a fun week with science, math, art, and more! Campers will explore a new theme everyday with hands-on activities and projects. STEAM learning applies math, science, and technology content to solve real-world problems through hands-on learning activities and fun creative design.

July 20-23 – Space Invaders – Promise Road Campus

Step into space and become an astronaut during our voyage together. We'll venture off to explore and learn about the planets and astronauts, and even build our own time capsule just like the astronauts left on the moon.

July 27-30 – Hittin' the Trails – Mud Creek Campus

We'll hit the trails and dig into nature by observing what we can find outside of the school walls. We'll make fun s'mores crafts and learn camp fire songs, maybe even go on a bear hunt.

August 10-13 – Water – Promise Road Campus

Grab your towels and your flip-flops and be prepared to get WET!!!! There will be various water play activities each day.

August 10-13 – Construction Junction – Mud Creek Campus

Come explore all about building and designing. We will have fun with legos, blocks, magnets and more. Try building challenges like a bridge for your favorite toy to cross or a space ship to fly high, and see how your design holds up. Great STEM building for all ages.

August 24-27 – The Olympics – Promise Road Campus

Join us for a week of fun learning about how athletes train to compete, eating healthy and exercise. We will have team and individual races, make Olympic inspired artwork, play games and still learn about how ABCs and 123s.

Camp Quest 2020

June 8-11 – Nature Camp – Promise Road Campus

This camp utilizes the beautiful prairie and outdoor classroom space. We'll create art with materials found in nature, build structures using natural materials, and learn about the prairie and the natural spaces from God's perspective.

June 15-18 – Art Exploration – Mud Creek Campus

Let's make ART! Kids will have a blast creating unique projects they will be proud to show off! They will explore a variety of methods for art making including collage, mosaics, tie dye, shaving cream painting, and more!

July 13-16 – S.T.E.A.M. (Science, Technology, Engineering, Art, Math) – Mud Creek Campus

Join us for a fun week with science, math, art, and more! Campers will explore a new theme everyday with hands-on activities and projects. STEAM learning applies math, science, and technology content to solve real-world problems through hands-on learning activities and fun creative design.

July 20-23 – Space Camp – Promise Road Campus

From experiencing how rockets work to learning about the stars, this camp will put your child on a mission of fun!
